About Us...

We are Everybody's Cycling, a charitable Community Benefit Society based in York, North Yorkshire.

We provide a range of fun and practical cycling experiences, activities and events for the public and private sector. Our aim is to encourage people of all ages and abilities to enjoy the benefits of cycling. Our team have over 10 years' experience and we have worked in over 850 schools and 300 workplaces nationwide.

We have our own amazing fleet of conventional and unique bikes, including cycles for people with disabilities.

You may already know us because Everybody's Cycling was previously a part of Get Cycling (www.getcycling.org.uk). We now operate as a separate organisation, but we still work closely together.

Events and Programmes

Here's a selection of the cycling experiences we can provide:

Bikeboost

A popular programme for people of all skill levels, giving them the chance to cycle on different types of bike and receive advice on maintenance, clothing and safety.

Bike Doctor

A pop-up bike maintenance and repair service for safety checks and minor repairs. Fully mobile mini workshop with qualified cycle mechanics offering an easy way to keep people cycling.

Try-Out Events

Versatile and fun bike try-out events offering people of all ages and abilities the chance to experience conventional and specialised cycles in a fun and friendly environment.

Pedal-Powered Attractions

We have a range of unique pedal-powered attractions ideal for the over sevens, including a smoothie maker, racing games, bubble-maker, Scalextric® track and an inflatable track. These make great additions to any event and can be enjoyed by adults too.

Megabikes

Our popular human-powered multi rider cycles include our 7-seater Circle Cycle, and Bike Bus for up to 10 people. These fun eye-catching features are ideal for team-building events and group activities.

Disability Services

We specialise in cycling experiences for anyone with disabilities or support needs. With our fleet of inclusive cycles, we enable those with special needs to enjoy the wellbeing benefits and independence cycling brings.

Here are some of the disability cycling experiences we can provide:

- Bike try-out events with our adapted cycles including tricycles, recumbents, wheelchair transporters, companion cycles, steer-from-the-rear tandems and hand-cranked cycles
- Bike doctor workshops with tuition included
- Family Fun Days and practical get-into-cycling sessions
- Fully supported guided bike rides with specialised bikes supplied
