CTC TORBAY
TUESDAY RIDE

‘This is one of CTC Torbay’s Tuesday rides in the summer, returning along the River Teign at Shaldon, having just visited Teignmouth for morning coffee. The Tuesday ride is one of the most popular as many people who have now retired have time to ride mid-week, so it’s not unusual to have 25 or 30 out on this run. It’s normally just a morning ride, but once a month we do a full day’s ride on a Tuesday.’
