## WHY JOIN?

**WHETHER YOU'RE NEW** to cycling, ride regularly, or want to get back into it, we cater for you. For over 135 years, Cycling UK has championed a simple belief – that cycling is a wonderful gift that should remain accessible and available to all.

And here's why one of our 67,000 members joined us: 'I joined about four years ago. I'm a member because I'm interested in the campaigns that are run and I want to make them as effective as possible, because I want to see cycling as an option for everybody. I wanted to contribute to that, to make it better,

and apply some of that campaigning locally in Sheffield. I'm a utility cyclist and a leisure cyclist.' – **Matthew Turner**
