Show's off

The rescheduled
Bespoked bike show,
due this autumn, has
now been postponed
until spring 2021.

Salsa Stormchaser frameset £1,200

A singlespeed gravel bike frameset for "derailleur-breaking mud" (and niche lovers!), it also takes 'guards, racks, and 1× gearing. salsacycles.com/bikes

2 Islabikes RG bikes £tbc

Designed for cyclists with restricted growth (dwarfism), these prototypes have 20in or 24in wheels, short cranks, 65° seat angles, and narrow, swept-back bars.

Shimano Deore 12s from £203*

Deore goes 1×12 with a new M6100 groupset. Happily it's an addition: 10- and 11-speed Deore remain. [*Shifter, mech, and cassette only.]

4 Schwalbe Air Plus innertube €11.90

Innertubes ain't dead. At 1.5mm thick (70% more than a standard tube), this one is tougher and less permeable. It's intended for cargo bikes and e-bikes.

5 Fasst Company Flexx Enduro Carbon Suspension Handlebar £449.99

Not how I'd solve hard or arm discomfort off-road but then I'm not a downhiller or enduro rider with £450 burning a hole in my pocket...

fasstmtb.com

6 VeloVixen Jersey – Splat £75

Alongside their popular cycling pants, VeloVixen have long stocked women's cycling gear. Now they have their own range, including this iersey.

velovixen.com

7 TUBike Magic Day £129.99

It's a normal-looking waterproof jacket that converts into a mini rain cape to keep your legs dry. A 3/4-length women's version is also available.
